

AX500

Galaxy

Professional compact carpet & upholstery cleaning machine

- The Galaxy portable extractor is the perfect machine for residential and institutional cleaning of carpets, rugs and upholstery.
- With a compact design and lightweight yet durable hi-tech construction the Galaxy packs a powerful punch.
- With a powerful 2-stage vacuum and 150psi pump, the Galaxy delivers the same cleaning performance as much larger machines.
- The Galaxy is perfect for in-house cleaning as well as car valeting, spotting and small area commercial cleaning.
- The Galaxy now has the option to fit the Heat 'n' Run in-line heat exchanger.
- This machine comes complete with hoses and 25cm (10") carpet wand.

FEATURES

- Lightweight and compact design fits easily into small vehicles
- 150 psi diaphragm pump
- 2-stage vacuum
- Stylish design with granite scuff-resistant finish
- Folding handle
- Automatic vacuum shut-off
- Clip-on in-line heater (optional)
